## **CORPORATE MEMBERSHIP**

At Bells Hotel & Country Club, we have a Corporate Membership Package. If you have an interest in golf we are sure that the following will be to your liking.

But do not dismiss this if you do not play golf – maybe your top employee plays, or, better still your clients play.

The golf course is fast becoming many businessmen's second office. A place that is peaceful, relaxed and where meetings are very successful.

For just £1,620 inclusive of VAT you can take advantage of having four fully subscribed members of the Golf Club.

Would this be a great opportunity to reward key employees for their efforts or for you to reward yourself ?

Whoever the four members are, they are entitled to book golf seven days a week with no restriction, if they so wish.

Included in the package price is a Corporate Day, where you can invite up to twenty four guests free of charge. Clients, friends, whoever you feel will enjoy:

- Coffee on arrival
- 18 holes of Golf
- a great two course evening meal

We know this is of great value and something extra to offer your successful business.

Please do not hesitate to contact us on 01594 833689 to discuss this opportunity.
